## A WEALTH OF SKILLS

We are older in this business than we look: We draw resources from an impressive pool of proven professionals to provide our clients with a service of the highest standard.

Our team is made up of chartered accountants, registered auditors, professional accountants and taxation experts, to ensure that we are always able to bring the required multi-disciplinary approach to all assigned tasks

# OUR QUALITY SERVICES

## Auditing

Our audits are performed in accordance with International Standards of Auditing and provide the client with the satisfaction that their financial statements reflect accurate financial information which can be trusted by its users.

## Accounting

Our effective accounting services ensure better management information for accurate decision making. This is done affordably by automated processes, giving management time to manage and ensure compliance.

## Taxation

Equifin's staff is committed in keeping up to date with the constant changing tax environment in order to provide you with the best advice possible.

## Secretarial

Our competent statutory department assists in all secretarial requirements in an effective and efficient manner.
